DISTILLERY DOWN UNDER

Bennelong's Distillery Down Under project showcases what we believe are Australia's finest boutique distilleries. In highlighting a different producer each month, we proudly present a tailor-made cocktail reflecting the producer's star spirit. We encourage you to share our immense pride in our favourite Australian producers and their products.

SEVEN SEASONS

Founded by Larrakia man Daniel Motlop, Seven Seasons produces spirits with the apt mantra "World's Oldest New Flavours".

Finding inspiration from the land and the seven seasons of Gulumoerrgin, they follow the changes in the stars, winds, plants, animals and traditional foods. With nature as their clock and calendar, the native botanicals are sustainably wild harvested at the optimal time.

Seven Seasons employs local harvesters, creating a market for their native ingredients, and concurrently creating sustainable jobs for Aboriginal people, with money flowing back to support communities and helping to create small business enterprises.

Kakadu

Green Ant gin, Bush Apple gin, bush foods, purified guava & herbs
