## *The Wine List*

*When exploring Australia and the world of wine, we look back and find a long history of tradition, technique and appreciation for why wine is as it is today. Looking into the future leads us on a path of evolution, innovation and a movement towards a more minimalistic approach.*

*A great wine list should embrace it all, celebrate the independent winemaker who is making wine in the most natural way possible. As well as championing the great families, chateaux and domains of Australia and the world that have defined winemaking for centuries.*

*Wine lists are a legacy passed from one Sommelier to the next, Bennelong opened in 2015.*

*We'd like to acknowledge and wholeheartedly thank*

*Russ Mills  
Ben Woodward  
Seamus Brandt  
Shanteh Wale  
and  
Jeremy Croft*

*for their contribution.*

*The Opera House stands on Bennelong Point, known to the traditional custodians, the Gadigal, as Tubowgule.*

*We embrace and celebrate the culture of the First Peoples, Past, Present and Emerging.*

## Orange, Rosé and Chilled Red Wine

*Skin contact aka, orange wine, is made from white grapes vinified in a similar manner to red wine. Skin contact can turn up the volume of the varietal. Adding texture, tannin and unique varietal aromatics.*

*Amphora are essentially clay jars used to ferment and or age wine. An ancient tradition recognised as providing a pure expression of grape and place, rather than artifact.*
