The Wine List

When exploring Australia and the world of wine, we look back and find a long history of tradition, technique and appreciation for why wine is as it is today. Looking into the future leads us on a path of evolution, innovation and a movement towards a more minimalistic approach.

A great wine list should embrace it all.

Celebrate the independent winemaker who is making wine in the most natural way possible. Champion the great families, châteaux and domains of Australia and beyond that have shaped winemaking for generations.

Wine lists are a legacy passed from one Sommelier to the next, Bennelong opened in 2015.

We'd like to acknowledge and wholeheartedly thank

*Russ Mills
Ben Woodward
Seamus Brandt
Shanteh Wale
Jeremy Croft
and
Alexander Jacques*

for their contribution.

The Opera House stands on Bennelong Point, known to the traditional custodians, the Gadigal, as Tubowgule.

We embrace and celebrate the culture of the First Peoples, Past, Present and Emerging

Wendouree - *The Silent Legend of Clare Valley*
A Legacy Rooted in the 19th Century

Tucked quietly into South Australia's Clare Valley, Wendouree stands as one of Australia's greatest and most enigmatic wine estates.

Established in the early 1890s by Alfred Percy Birks and centred around the original stone cellars built in 1914, the winery has remained remarkably unchanged over more than a century. While many producers have modernised, expanded, and marketed themselves loudly, Wendouree has chosen a different path; one defined by history, restraint, and an unwavering commitment to authenticity.

Today, the custodianship of Tony and Lita Brady continues the legacy. Their stewardship honours the original vision; producing uncompromising wines of Australian character, letting the land speak for itself.

Access to these remarkable wines is granted only to those fortunate enough to secure a place on the allocation list, traditionally by way of a handwritten letter. Rumour has it that including a treasured family recipe may elevate your chances, though only the insiders truly know.

We are offering some of their special wines by the Glass and by the bottle.

ORANGE, ROSÉ AND CHILLED RED WINE

Skin contact, also known as orange wine, is made from white grapes vinified in a similar manner to red wine. Skin contact can turn up the volume of the varietal. Adding texture, tannin and unique varietal aromatics.
