BENNELONG BAR

For us, the story behind the glass is just as important as what's in it.

Every cocktail on this list is shaped by our own experiences, guided by a simple purpose: to serve something meaningful.

We hope you enjoy drinking them as much as we've enjoyed creating them.

DISTILLERY DOWN UNDER

Bennelong's Distillery Down Under project showcases what we believe are Australia's finest boutique distilleries. In highlighting a different producer throughout the months, we proudly present a tailor-made cocktail reflecting the producer's star spirit. We encourage you to share our immense pride in our favourite Australian producers and their products.

KILLARA DISTILLERY

Founded in 2016 by Kristy Lark - daughter of Bill Lark of Lark Distillery - Killara Distillery carries forward a pioneering family legacy in Australian spirits.

Raised in Tasmania's Coal Valley with a still just outside her bedroom door, Kristy has spent over 25 years immersed in spirit making, grounded in tradition and guided by a quiet focus on innovation, precision and integrity.

Rooted in a garden-to-glass philosophy, Killara produces small-batch whisky, gin, vodka and seasonal liqueurs using locally grown or sourced botanicals. Each spirit is distilled in copper pot stills and made entirely by hand, from distillation through to bottling, reflecting a direct connection to land, craft and process.

THE NEGRONI:
A STUDY IN EQUAL MEASURES

Over a century ago in Florence, Italy, Count Camillo Negroni requested his bartender Fosco Scarcelli replace the soda in his Americano with gin, giving rise to the now-iconic Negroni. A cocktail of perfect balance: equal parts bitter, sweet and strong.

Since then, this simple recipe has inspired countless interpretations around the world. Below, we share a few of our favourites.
